Subject: Cambodia: BKL Group to be Released

Jake, Kurt, Dan:

Cambodian State Secretary Ouch, traveling with FM Hor Namhong, called me just now, saying that the FM wanted to pass a message to the Secretary. According to Ouch, the BKL group of 13 women, convicted for protests involving land rights, will be released. He wanted S to know this, as she had raised it yesterday with FM Hor Namhong.

I also talked with Ambassador Bill Todd. He said there had been some correspondence by the Cambodian Ministry of Justice, asking the court to review these cases. He will let us know tomorrow whether this meant the BKL group would be released.

Joe
