Love it! - Relief today is also a successful negotiation to get the Palestinians to back off of seeking change in status at ATT conference. A long ordeal but working closely with Israelis, just achieved success. Rosemary DiCarlo and Tom Countryman were fantastic duo; David Hale and many others played crucial supporting roles. Your trip on Friday key I believe to this outcome. And on Istanbul, just sent following note to Bill, Denis and Jake:  
Meeting has just ended, into the morning of July 4, Istanbul time. Bob and Gary are in an E3+3 caucus and then will call in to debrief. They will remain available on July 4 for bilat but unlikely. Emails noted a very lively discussion/debate with tough probing by our team. We have an E3+1 Political Directors call at 12:30pm tomorrow and an E3+3 call early Thursday morning. Helga hopes to call Bagheri before week is out to set up next step (her meeting with him). Hope you also get some relief on the 4<sup>th</sup>.

Thanks for your kind words---and for all you do.

And, how do you spell "relief"? "GLOCS...".

Onward!

Madam Secretary,  
Thank you for your persistence on the issue of the Pakistan apology and the GLOCs. I know that it has finally come to a close and also know this would not have occurred but for your constant efforts to make it thus. I have always been an admirer, but working with you has deepened my admiration for your clarity, commitment and skill. Without you, this chapter would still be incomplete.
