This is from Vital Voices. When I recently met with some of the key women from Haiti they made same point. I hope HRC can reinforce.

B6

Hi Melanne,

I heard she is meeting with him tomorrow. It would be great if she could press him/or congratulate and thank him on his commitment (only verbal) to support the Women's Platform in Haiti through the creation of the Haitian Women's Empowerment Fund - committing \$10 million to the effort.

Thank you!

Alyse
