Cheryl,
Just want to thank Secretary Clinton for reaching out and meeting yesterday with Bishop Elias Taban. The importance of Sudanese voices being at the forefront of the peace process cannot be understated and the fact that Secretary Clinton reached out to the Bishop is evidence that she values those voices. Oxfam has been working with Bishop Taban in the US on the importance of securing an Arms Trade Treaty and we worked with him to place his wonderful op-ed on S Sudan in the NYT - so you can imagine how excited we are that he was able to meet with the Secretary and express his very important views.
Best,

Linda Amerigo Delgado
