Subject: Jamaica Economic difficulties

Cheryl,

I hope this email finds you doing well during this holiday season.

Congresswoman Clarke ask that I touch base as it relates to Jamaica and its economic difficulties with the International Monetary Fund (IMF).

In the most recent correspondence with the IMF, they ensured myself and my colleagues that they are working as diligently and expeditiously as possible, but the Member wanted to make certain that Secretary Clinton was aware of the issue looming for our neighboring Caribbean friends.

As mentioned, this is just a courtesy note to inform Secretary Clinton.

take care & keep the faith!
