- > David - Tal reports the following (which you can pass to others as you deem appropriate with caveat that he is ahead of his political leadership):
- >
- > 1. He meets with Molho shortly where it will be decided whether he comes to DC. If so, plan seems to be overnight flight tonight for Monday meetings only and then return. I said people in DC were hoping he could come.

> He's apparently coming Monday with someone from IO, so at least in part on UNGA (he's not in the Gaza loop). This should help accelerate our work on the next phase. I'll suggest he bring a lawyer. David
