Subject: John Kerry speaks on climate

B6

If you haven't heard John Kerry's speech on climate crisis, here it is. So very compelling and sobering, (on top of being totally sober on the subject.)

Xoxo

[As world leaders meet for the Rio+20 United Nations Conference on Sustainable Development \(UNCSD\), Senator John Kerry \(D-Mass.\), Chairman of the Foreign Relations Committee, delivered a major floor speech urging U.S. action to combat the threat of global climate change. \(54 minutes\)](#)
