Subject: Core Group - Key Outcomes

SBU --- FYI - Ahead of S-Karzai

[redacted] Afghans very focused on bringing [redacted] into recon. All agreed this would help; question is which [redacted] to engage. MG pushed for a joint Af-Pak approach to [redacted] in the next month.
---> S might repeat this idea to Karzai.

B5

Prisoner Release - Jilani said Pakistan would soon release a first tranche of prisoners (presumably Taliban) sought by Afghanistan. NFI.

[redacted] - All agreed it would be useful for the Core Group to discuss which [redacted] we should engage, [redacted]

Rabbani Visit - Jilani flagged desire for Rabbani to visit Islamabad soon, which MG supported. Trip has been long delayed.

Af Internal Support for Recon - Brief discussion of Af internal politics on recon. Pakistanis repeated Khar's concern from Tokyo that not all Afghan factions support recon. Afghans pushed back a bit, noting multiple peace jirgas and "everyone knows Rabbani and what interests he represents."
