**Subject:** Re: New year Greetings

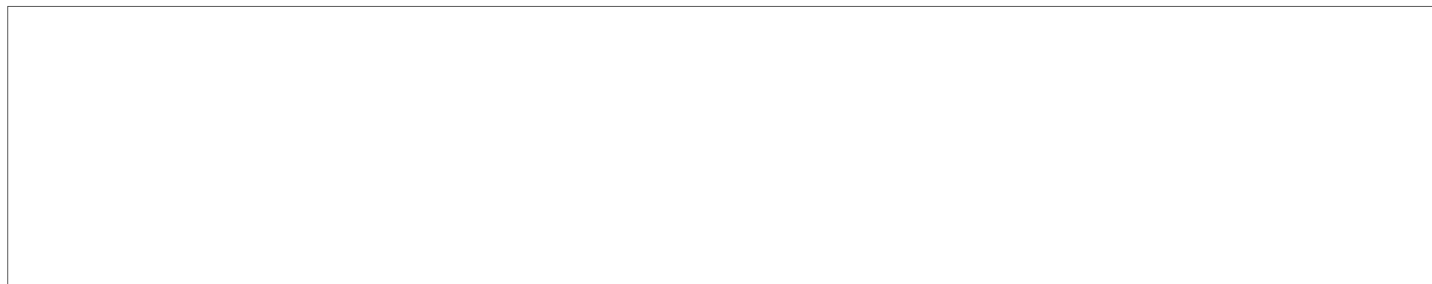

B6

I'm copying Cheryl on this so we can follow up about the solar lamp.

**Subject:** New year Greetings

H:

Sorry to hear about the recent bump in the road. I'm sure it's not how you planned to start the New Year. Hopefully it will all soon be behind you and you will on your way to all the new adventures that lie ahead.

Take care of yourself and be well soon.
