Thank you! It was a good day and I was very proud of our boss. Great to see her at the top of her game.

Dan

Thank you for yesterday and all the work you have put into to getting us through yesterday.

As a testament to how super human I think you are, I asked tonite at dinner why you weren't doing 9 other things and what you were up to instead b/c I have come to believe there is little you can't do.

Seriously - thank you for helping her be the best she can be.

And me be better than I am.
