Subject: American Legion National Convention August 30, 2011

Hey Burns !

Please SEE ATTACHED LETTER. The Naional Headquarters would love to have Secretary Clinton as a key note speaker at the National Convention in Minneapolis this August if her schedule would permit.

The leadership loves Hillary !!! This all stems from her visit and speech at American Legion Mall in 2008 when she won the Indiana Primary. She made a lot of friends here and always reminises about her dad being active with the Legion in Illinois.

When talking to Hillary could you put in a good word for her coming to the convention ??? I guarantee you she would be the high point of the week and would receive a great reception. Attendance for key note speakers is usually around 10,000 members-a really good crowd.

Best wishes,

George
