Keeping this distro small. Will circ more broadly but spare cdm in a second.

Well it couldn't last forever

Per below the nbc piece will run this coming wednesday.

As a recap:

- i tightened open letter and will resend for cdm review
- press guidance shld be complete
- we have toria tscript in case things are taken out of context

X-factor: OIG Report

Waiting on the following:

- date of release
- there should be press guidance that is close done
- list of recommendations and actions to address or reason for not addressing
- status of swt regs
- Lee/Ann to receive accounting for every complaint of harassment or abuse and what actions we took
  
- the damsel of doom

B6

Hi Caitlin!

I finally got word that the piece will FINALLY air next Wednesday night at 10 pm.

A web promo with some of the kids who've had a good experience and a soundbite from Toria will go up Monday
