Subject: Updates

A few quick updates during what has been a thankfully pretty quiet week in the world.

1.

I'm giving it to you in this shape because I would very much like your steer on whether it is headed in the right or wrong direction, and your guidance on changes/additions/subtractions. Happy to discuss at your convenience. I'm sharing a copy of Bill, Jim, Derek, and CDM.

2.

3.

4. I am sending for your review a draft memo prepared by SRAP on the various political/diplomatic processes underway in AfPak.

5.

6. Finally, I am sending readouts of Jeff's conversations with Adel and Saad Hariri on Lebanon that are worth your read.
