Thank you, it means a lot to hear that.

I feel pretty good about this one. It's always satisfying when we get to make a focused policy argument that also puts our strategy into a broader context. Plus it was fun to write. To me, its hard to ask for more.

[Redacted]

B6

Thanks again.
Dan

Dear Dan--

The Af-Pak speech was really well done, and I appreciate your efforts in producing such a first-rate product. It is a joy working w you.
