Subject: North, south Sudan leaders to hold Abyei talks (Reuters)

KHARTOUM, June 11 (Reuters) - The leaders of north and south Sudan will meet in Ethiopia on Sunday to discuss the disputed Abyei region and other issues in the build-up to the south's secession, Sudan's state media said on Saturday.

Sudan's President Omar Hassan al-Bashir and south Sudan's President Salva Kiir will meet in Addis Ababa "to review the pending issues, especially the situation in Abyei", Sudan's state news agency SUNA said.

Ethiopian Prime Minister Meles Zenawi and former South African President Thabo Mbeki will also participate in the talks, SUNA said.
