**Subject:** Brazil Update

The Brazilian Ambassador has not called to discuss our proposal.

B5

Further Brazil intervened a number of times, at last night's friends of the chair budget meeting, unfortunately their message was not different than their previous ones. Brazilian Rep. specifically stated he wanted to correct any impression that might have been made at the last Friends meeting. "Brazil is not demanding efficiencies; we are happy with the DG's proposed PWB."

Tutti Interasante!

Ertharin
