Subject: Libya call

Not too much new to report.

Ivo gave a download on NATO ops, which have been quite extensive.

Gene reported that he talked to Baghdadi, who is sending a proposal for a political solution, which we'll get to you when it comes in.

Jeff is going to try to get the Egyptians to finally take down Nilesat and take Q off the air.

There is a post-Q planning meeting led by the TNC in Dubai this week.

The Ops Center will stand up a Libya Task Force tomorrow.

Press posture remains fairly general. Megan Rooney is writing a statement for you in the event that Tripoli falls.
