Subject: World Food Prize winners 2011 & Phase II announcements

Cheryl, Just heard that this year's World Food Prize winners are Kufuor (former President of Ghana) and former President Lula. This info is embargoed until the S announcement on June 21st. S can talk about our strategic partnership with Brazil and perhaps announce Phase II for Ghana. As we discussed, I have requested that AID hold the Phase II announcement for S in Tanzania (June trip). We can also ask them to hold Uganda – I know you said no separate FTF/1,000 Days event there – but it could be incorporated into another speech.

Will start on the building blocks.

Thx, Cindy
