Increase (MSI) for the quality of their cumulative and competitive performance. In accordance with the Procedural Precepts for the 2011 Foreign Service Selection Boards, the Boards recommend conferral of MSIs for employees who were rank ordered by the Selection Boards but who were not promoted because of limited promotion opportunities. MSIs were awarded in accordance with the rank order and in accordance with the ten-percent limit for the employees in competition groups. A statement noting MSI recognition will be placed in each member's Official Performance Folder.

5. Employees recommended for an MSI who have reached the highest salary step of their grade before July 1, 2011 will be granted a cash payment of \$2500, subject to the availability of funding. Employees, who were granted a MSI in the previous 52 calendar weeks, cannot be awarded the increase. The recommendation will become part of the employee's Official Performance Folder. The MSIs become effective October 23, 2011.
